# **GAME DESCRIPTION**

**Our game is a fun and chaotic card game about university life, where players try to collect GPA points and reach a perfect 4.0 or collect 3 sets of subject modules to win. Players will face funny situations and use strategy or luck to win the game.**

# GAME REFERENCE

## “The Malaysian Dream”

### Identities:

In this game it have different identities for players such as national athlete, menteri etc. So in our game we also created different identities like Computing student, Business Student and Design student

### Point Collection System:

The Malaysian Dream collects “Dreams” to win. Our game similarly uses GPA point collection as the goal, where players race to reach 4.0.
